Welcome

You are about to see how quick, easy, and delicious healthy eating can be!

Please read all the safety information, warnings, and instructional material found in this booklet before getting start. Set your machine on a dry, level surface.

Then, follow the cleaning instructions to prepare your machine for use. Always clean your machine before the first use.

IMPORTANT SAFEGUARDES

When using your electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric hazard and injury to persons, including the following.

1. Read all instructions.
2. Do not touch hot surface. Use handles or buttons of control panel. The unit body will become very hot during long-time using, handle it carefully.
3. CAUTION: To reduce the risk of electric shock, cook only in removable container.
4. Close supervision is necessary when any appliance is used by or near children.
5. To protect against electrical shock, do not immerse cord, plug, or cooker body in water or other liquid.
6. Do not add too much water beyond the maximum fill line on the inside of the water tank, or the water will flow out during cooking.
7. Unplug from outlet when not being used and before cleaning. Allow to cool before putting on or taking off parts, and before cleaning the appliance.
8. Do not operate any appliance with a damaged cord or plug or after the appliance malfunctions or has been damaged in any manner. Return appliance to the nearest authorized service facility for examination, repair, or adjustment.
9. The use of accessory attachment not recommended by the appliance manufacturer may cause injuries.
10. Intended for countertop use only.
11. Do not use the appliance for other than intended use.
12. Do not use outdoors.
13. Extreme caution must be used when moving an appliance containing hot oil or other hot liquids.
14. Do not let cord hang over edge of table and counter, or touch hot surface.
15. A short power-supply cord is used to reduce the risk resulting from it being grabbed by children, becoming entangled in, or tripping over a longer cord.
16. WARNING: Spilled food can cause serious burns. Keep appliance and cord away from children. Never drape cord over edge of counter, never use outlet below counter, and never use with an extension cord.
17. Prior to first use, please make sure that the electric rating of the appliance is in conformity with the current electric rating.
18. To disconnect, turn the control to "off", then remove plug from wall outlet.
19. DO NOT place unit on or near a hot gas or electric burner, or in a heated oven.

IMPORTANT SAFEGUARDES

20. Only carry the hot pot from the side handle.
21. This appliance has a polarized plug (one blade is wider than the other). To reduce the risk of electric shock, this plug is intended to fit into a polarized outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to modify the plug in any way
22. HOUSEHOLD USE ONLY.

LIMITED ONE YEAR WARRANTY

This is the only express warranty for this product and is in lieu of any other warranty or condition.

This product is warranted to be free from defects in material and workmanship for a period of one (1) year from the date of original purchase. During this period, your exclusive remedy is repair or replacement of this product or any component found to be defective, at our option; however, you are responsible for all costs associated with returning the product to us and our returning the product or component under this warranty to you. If the product or component is no longer available, we will replace with a similar one of equal or greater value.

This warranty does not cover glass, filters, wear from normal use, use not in conformity with the printed directions, or damage to the product resulting from accident, alteration, abuse or misuse. This warranty extends only to the original consumer purchaser or gift recipient. Keep the original sales receipt, as proof of purchase is required to make a warranty claim. This warranty is void if product is used for other than single-family household use or subjected to any voltage and waveform other than as specified on the label (e.g., 120V-).

We exclude all claims for special, incidental, and consequential damages by breach of express or implied warranty. All liability is limited to amount of the purchase price. Every implied warranty, including any statutory warranty or condition of merchantability or fitness for particular purpose, is disclaimed except to the extent prohibited by law, in which case such warranty or condition is limited to the duration of this written warranty.

This warranty gives you specific legal rights. You may have other legal rights that vary depending on where you live. Some states or provinces do not allow limitations on implied warranties or special, incidental consequential damages, so the foregoing limitations may not apply to you.
